*	Liegnitz (0 52/B 32) was considered to be the center of a large military unit, possibly an army unit. Many barracks installations were occupied by Soviet Army units. A Polish barracks installation on Immelmannstrasse was occupied by radio operators and a Polish officers'school. The Diuga barracks installation, located at the road to the airfield, quartered a Polish unit which underwent infantry training. * Comment. Since the barracks installation on Immelmannstrasse and the Diuga Kaserne are located close to the Liegnitz airfield, the two units stationed there may be Polish	25X1
